

Director Vacancies

Holy Family Catholic MAC

The Board of Directors are seeking further expertise

Holy Family Catholic MAC is a recently formed Catholic Academy group of schools, based across Warwickshire and Worcestershire. Established in April 2017 the Multi Academy Company (MAC) currently has oversight for 5 Primary and 1 Secondary school including Sixth Form provision. We feel our results are worth supporting and protecting for the benefit of current and future pupils.

The Board are looking to expand the number of Directors with a view to supporting growth and managing efficiencies in the context of the education sector. A number of challenges lie ahead with constraints on funding and rising costs, consistent with well publicised challenges in education at present.

Individuals with experience in facilities management, strategic planning, managing change and developing opportunities for growth would be welcomed to the Board.

These roles are volunteer posts and candidates should be aware that commitment to attend meetings in the evenings would be necessary. Time commitment is between 10-12 hours per month, and you will be expected to attend training to support your role. Previous experience of governance would be beneficial, but not essential.

Terms of office vary from 1 to 4 years

- | | |
|---------------|--|
| When: | From September 2018 |
| Where: | Central base at St Benedict's Catholic High School, Alcester |
| Other: | Practicing Catholics are encouraged to apply for Foundation Director posts. Co opted roles will be considered. |
